

Why partner with Choices in Senior Care?

We Provide Care Coordination and Connect People to Resources to Improve Quality of Life

1. Finding the Right Choice - No Contract is too large or small

Through contract services we can:

- Assess healthcare-related challenges
- Identify and address Social Determinants of Health needs
- Complete long-term care assessments
- Manage Care Coordination with telephonic or in-person Nurse Care Manager visits
- Navigate Transitions of Care
- Reduce unnecessary re-hospitalization
- Connect with community resources

2. Creating the Right Plan

Steps toward partnering:

- Reach out to us or complete our Choices in Senior Care (CSC) website inquiry form
- Meetings are scheduled virtually, by phone, or in-person to discuss:
 - Services requested and rates
 - Staff qualifications
 - Client specifics
 - Staff training and service provision

3. Completing the Right Training

Moving forward together:

- We can develop an in-house training or use your approved training for our staff
- We are flexible and can utilize our own software platform or complete all documentation within your system

4. Providing the Right Care

Services begin:

- Referrals are assigned and services provided by our professional Care Managers/Care Coordinators per contract guidelines
- All Care Managers and Care Coordinators are overseen by Certified Case Managers and RNs with strict adherence to quality standards
- Client services and documentation are completed per your outlined process
